PNB Net Banking Activation Checklist

Independent educational resource by FinBankingTech.com | Checked against PNB's published instructions on 2 November 2026

Before you start

Keep the following ready. Never share your OTP, ATM PIN, debit card credentials or passwords with another person.

- PNB account number for the account being registered.
- Date of birth or PAN details, as requested by the portal.
- Access to the mobile number registered with PNB to receive OTPs.
- Valid PNB debit card linked to the relevant account.
- Debit card number and ATM PIN for the bank's authentication step.
- A secure device and internet connection.

Online registration steps

1. Visit the official portal: https://ibanking.pnb.bank.in/
2. Select Retail Internet Banking, then New User.
3. Choose Register with debit card.
4. Enter your account number, DOB/PAN and select Internet Banking or both Internet and Mobile Banking.
5. Enter the OTP sent to your mobile number registered with PNB.
6. Select View Only or View & Transaction.
7. Enter your debit card number and PIN when prompted on the official portal.
8. Create your login and, where applicable, transaction password. Note your User ID securely.
9. After successful registration, sign in through the official portal.

Choose your facility

Option	Meaning
View Only	Permits access to view available account information; transaction access is not selected.
View & Transaction	Enables viewing and permitted transactions, subject to PNB rules and account restrictions.

If registration fails

■ Check that your mobile number is registered with PNB and can receive OTPs.

■ Confirm the debit card is valid and linked to the account being registered.

■ Recheck the account number and DOB/PAN details.

■ Do not repeatedly guess your ATM PIN or passwords.

■ Contact PNB through its official website or visit a branch if the issue continues.

Security reminders

Never disclose OTPs, ATM PINs, login passwords or transaction passwords. Avoid links in unsolicited messages. Type the PNB web address yourself and verify the domain before entering credentials. FinBankingTech.com is an independent educational website and is not affiliated with PNB.
